Come join us for a day of fun at the majestic Tom's Run Golf Course. Tom's Run has become a local favorite, earning rank among the Top 5 Public Golf Courses in Pennsylvania. The layout tumbles across gently rolling hills, weaving in and across laurel-lined canyons carved out by its namesake Tom's Run. The front nine plays as a traditional style golf course while the back nine opens up into link-style holes with wider fairways that are very forgiving. Tom's Run is suitable for all levels of golfers and with the events format you'll truly enjoy the experience with the opportunity to go low. The course has hosted several events over the years including the Pittsburgh Open, the West Penn Open and the Tri-State PGA Championship.

Tournament Format California Scramble

On all Par 4's the team selects the best tee shot and each individual plays their own ball into the hole from that point. On all Par 5's the team selects the best first and second shot and each individual plays their own ball into the hole from that point. On all Par 3's each individual plays their own ball into the hole.
